

## MuniAnalytics is the most comprehensive municipal database available

### Unlocking the source

Ipreo's data has been driving the municipal market and now the entire universe of municipal new-issue securities data is available directly from the source. Ipreo has launched an innovative web-based tool, which offers an easy-to-use interface, timely and accurate information, and broader depths of new-issue data previously unavailable to the marketplace. Ipreo's state-of-the-art platform allows flexible screening and manipulation of data with the ability to create new analytics and comparisons.
