

Ipreo Prism Virtual Data Room

SECURELY SHARE SENSITIVE INFORMATION WITH KEY STAKEHOLDERS

The Ipreo Prism Virtual Data Room is a simple, secure, best-in-class virtual data room that outperforms legacy solutions. Prism delivers a faster, more streamlined way to securely share sensitive information with investors, partners, and other key stakeholders.

USABILITY

A streamlined, intuitive interface includes integrated DocuSign™ workflows, with no plugins or downloads required.

SECURITY

Stay secure with industry-leading encryption, watermarking, and FINRA, HIPAA, and FedRamp compliance.

SUPPORT

Get 24/7/365 support at no additional cost from local teams in multiple locations and time zones worldwide.

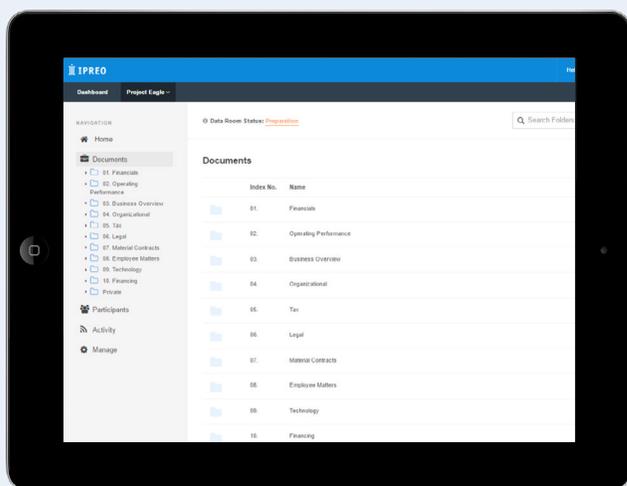

CONTROL

Maintain complete control of the portal; add recipients, upload documents, and set permissions via Ipreo's Permission Matrix.

REPORTING

Automated alerts for newly uploaded documents and real-time activity tracking enables rapid audit trail of all documents.

BETTER PRODUCT. BETTER SECURITY. BETTER PRICING.

Polished and professional. Enhance your data room with a polished, streamlined interface and the functionality your investors, partners, and stakeholders expect.

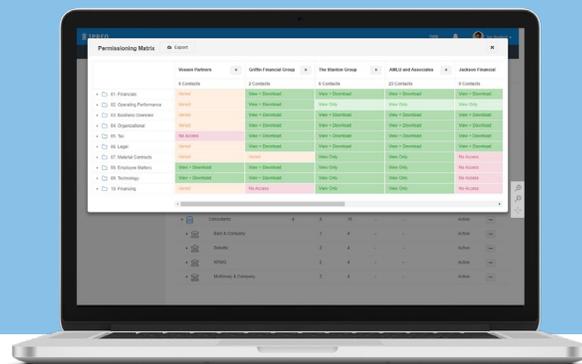

Uncompromising security. Prism meets the highest standard for information security, including ISO27001, ISO27017/8, and SOC2.

Transparent pricing. A simple and flexible pricing structure means you pay only for what you need, with no unexpected overages or costly per-page fees.

THE NEXT-GENERATION DATA ROOM IS HERE

ADVANCED CONTROL

Add participants and set highly configurable permissions to ensure the confidentiality and security of your sensitive information. View participant activity, monitor every aspect of the deal, and keep key stakeholders up-to-date with detailed, one-click reports.

24/7/365 SUPPORT

Ipreo's team of dedicated, full-time, professional project managers is always available to assist with setup and ongoing support. Teams are located around the world, with offices in New York, Nashville, Raleigh, San Francisco, London, Cape Town, and Hong Kong.

KEY FEATURES

Transparent Pricing

Prism offers a transparent pricing structure, without opaque pricing units, such as 'number of pages,' at below market rates.

Enhanced Performance

Prism offers faster document uploads, smoother permission management, and greater platform stability and performance.

Unlimited Users

No limit to the number of users and site administrators that can be added to your virtual data room.

Audit Trail

Generate a comprehensive compliance audit trail, including user permissions and activity.

Modern Interface

Intuitive interface requires little to no training, expediting workflow and enhancing each user's experience.

Real-Time Dashboards

See data room activity in real time and generate detailed usage reports and templates.
